OBJECTIVE

Dedicated and motivated CSE-AI&DS student with a strong interest in Artificial Intelligence, Data Science, and programming. Seeking a part-time role or internship where I can apply my academic knowledge, strong problem solving skills and willingness to learn. Committed to contributing positively to the organization while gaining hands-on experience and developing industry-relevant skills.

EDUCATION

Sagar Institute of Science and Technology

B.Tech in Computer Science and Engineering

2024-2028

CGPA - 8.5

Scholars Academy H.s. School

Class XII - PCMB

2023-2024

Faiz Public High School

Class X

2021-2022

SKILLS

- **Programming:** C, C++, Python
- **Web:** HTML, CSS, JavaScript
- **Data Science & Libraries:** NumPy, Pandas, Matplotlib, Seaborn
- **Data Visualization & BI:** Power BI
- **Databases:** MySQL
- **Tools:** GitHub
- **Soft Skills:** Communication, Team Collaboration, Event Management, Learning New Skills, Problem Solving, Volunteering

PROJECTS

Portfolio

Developed a personal portfolio website using HTML, CSS, and JavaScript to showcase projects, technical skills, certifications, and achievements with a responsive and modern UI.

Tech Stack: HTML, CSS, JavaScript

Link: [Alisha's Portfolio](#)

Findora

Developed Findora, a user-friendly lost and found application that streamlines reporting and tracking of items, improving recovery efficiency through a structured digital system.

Tech Stack: Flutter, Dart

University Course Registration System (UCRS)

Developed a full-stack University Course Registration System using Flask, MySQL, HTML, CSS, JavaScript, and Bootstrap 5. The application enables administrators to manage students, faculty, departments, courses, and semester enrollments through a secure login system.

Tech Stack: Flask, Python, MySQL, HTML, CSS, JavaScript, Bootstrap 5

CERTIFICATIONS

Agentblazer Champion - SmartBridge (in collaboration with Salesforce)

AWS Cloud Quest: Cloud Practitioner - AWS

Data Analytics Essentials - Cisco

C Essentials 1 - Cisco

C Essentials 2 - Cisco

ACHIEVEMENTS

Meritorious Student Award

Muslim Education Career and Promotion Society (MECAPS) for academic excellence.

Android App Development Competition

Secured 2nd Position in Android Application Development (Flutter) competition during a one-week technical workshop.

MIT App Inventor Excellence Certificate Award

Secured 1st Position in the Super 50 Workshop and received the MIT App Inventor Excellence Award Certificate for my IoT-based application.

3rd Prize Winner - From Sensors to Intelligence: IoT Meets GenAI on Cloud Workshop

Participated as a team member and secured third position for innovative IoT-based solution development.

WORKSHOPS & TRAINING

Android App Development

Successfully completed a one-week workshop on Android App Development using Flutter, enhancing my ability to design and develop user-friendly mobile applications.

Build with RAG: AI Workshop

Successfully completed a 2-day hands-on workshop on “Build with RAG: AI Workshop & Competition” gaining hands-on experience in RAG, Gemini API, and Streamlit-based AI development.

Drone Workshop by Madhya Pradesh Council of Science and Technology(MPCST)

Attended a hands-on workshop focused on drone fundamentals, components, operation techniques, and basic flight control.

ACTIVITIES

Participant - Smart India Hackathon (SIH)

Participant - SISTec Ideathon 2026

Participant - Poster Making Competition on Engineer’s Day at SISTec

Participant - Paper Presentation on National Mathematics Day at SISTec
